

Inclusive Care for All

WCC provides services regardless of race, color, national origin, religion, age, sex, sexual orientation, gender identity, disability, or ability to pay.

Sliding Fees

As an FQHC, WCC offers a sliding fee discount program for patients who are uninsured, underinsured, or have limited ability to pay. Discounts are based on household income and family size following federal poverty guidelines.

No one is denied services at WCC due to inability to pay.

Health Plans

WCC accepts most major insurance plans, including Medi-Cal managed care options. Patients with insurance who have high deductibles, limited coverage, or financial hardship may also qualify for sliding fee discounts.

We provide services to all patients, regardless of insurance status or financial situation.

To learn more or to see how you can qualify for coverage, please call us at (310) 549-5760.

Make a Difference

DONATE

Your donation helps WCC provide affordable care for families who depend on us. Because our treatment costs are significantly lower than traditional hospital or medical practices, your contribution goes even further. Visit wilmingtoncc.org to donate.

VOLUNTEER

Volunteering at WCC is a meaningful way to support your community. We offer a variety of opportunities for individuals who want to make an impact.

Wilmington Community Clinic

Affordable Healthcare Services

FOR FAMILY.

FOR HEALTH.

FOR COMMUNITY.

About Us

Since 1977, Wilmington Community Clinic (WCC) has been dedicated to keeping our community healthy. What began as a small clinic for women's and children's care has grown to offer a full range of primary and preventive services—now serving nearly five times more patients than when we started.

Most of our team are longtime locals who take pride in caring for families across the area. With two convenient locations, WCC welcomes everyone—no matter their background or financial situation—and accepts most major insurance plans.

**AT WCC, WE BELIEVE
HEALTH IS A
FUNDAMENTAL
RIGHT.**

Our Services

*Services available at the Wilmington practice only
